[digital tools] for research

[re]-search

[objectives]

- getting doctorate
- timely completion
- objective fulfillment
- the good feel to have contributed to the academics
- replicate methodology

how do [you] do it?

- steps in research
- which is the most important step?
 - course work
 - title
 - finding a guide
 - literature review
 - survey
 - progress report
 - classification of data
 - analysis
 - analysis tool
 - writing out
 - findings
 - printing
 - defense
 - others

how [should] you do it?

My proposal

2-5-4-8-4 Model (A-J-I-T-H model)

- 2 subjects
- 5 topics
- 4 journals
- 8 years
- 4 months

1	2	3
4	5	6
7	8	9
